# Dedicated to

We, the Coronal Staff of 1955-56, hereby dedicate this book to Time—that intangible something which is always present, which has always, and will always be with us. "Wherever anything lives, there is somewhere, a register in which time is being inscribed." — although it brings many changes it leaves inscribed in our memories all our days at C.H.S. Though in time the walls may crumble and fall, though students will come and go, our memory of C.H.S. will not fade. Its ivy-covered walls and all the things they stand for will be deeply encased in our memory as long as we live. It is to these times, to these memories, that we dedicate this book.

Manuel,  
Good luck to  
a great classmate  
& friend. See  
you next year.

# Council

This past year we have witnessed a very active student government here on the campus of Corona High School. Student Council, with Hubert Knilians as adviser, got off to a flying start, first sponsoring the Halloween Dance, then planning the program for the Gene Norman Show and finally supervising the Homecoming Celebration. Led by Student Body President Ruben Felix and his capable and efficient staff, this governing body undertook the posting of the school sign in front of the school as well as establishing as an annual project the cleaning of the then-abandoned Pauper's Cemetery on Commercial Street. As the Council of 1955-56 makes its final bow, we only hope next year's leaders will carry on the traditions of Corona High School, upheld so successfully this past year.

Modesty prevents us from telling what a wonderful job we did on this year's 1956 Coronal. We gave a football dance, put out the best Coronal, met our deadlines and went to the beach.

We have suffered through some terrible spots, but have come out O.K. Maureen and Rudy have had a little trouble getting together to get pictures taken but finally finished. Judy Christian furnished the Senior activity slips. Charles and LaJoy, our great copy writers, came up with some original thoughts, Carolyn and Darlene took over the Art Department when Augie Tapia went into the service. The efforts of Judy and Bev have long been appreciated by all. Doug and Bill, our sports editors, did their jobs well; and the wonderful business manager came through with too many ads. But all in all, we think this year's Coronal is the greatest! Amen! "We the Coronal Staff wish to congratulate the Class of '56."

as a mighty senior.*

*"Rags" (ch to)*

**Senior.** Representing the Senior class are these six fine volley ball players. Bonnie Green prepares to set up a spike for Norma Bartlett as Lois Steiner looks on. On the other side of the net, expecting the worst are left to right; Vera Raya, Virginia Murga, and Cecilia Garcia.

C.H.S.'s tennis team did an expert job this year. Under the efficient coaching of Miss Donnelly, Corona's team ranked very high in the Tri Country League standings. Left to right they include, top row; Eileen Byland, Rita Flores, Darlene Embree, Marilyn Byers, Anne Winans, and Janice Lillibridge. Bottom row: Marlene Albright, Yavonne Taylor, Nancy Sturgis, Vera Arrendondo, and Mercedes Carrion.

## Tennis

One of the best first singles in the league is our own Yavonne Taylor. She is shown here ready to stroke.

Shown here finishing a forehand swing is Eileen Byland. Though she is only a Junior, Eileen has managed to work her way up to second place on the ladder.

Maureen Watson, star badminton player and first in the singles, is shown practicing techniques of her winning "dinkey".

Diane LaVoie, second singles, is shown coming down on a hard smash. It was this technique which won her a first place in Tri County competition.

## Badminton

Corona shuttlecockers swept Tri County by taking three first places and one second place in their first meet. Players include left to right: back row—Judy Sherman, Marie Rycraft, Alberta Pyatt, Sally Zelepugas, Florence Schultz, Marilyn Osborne, and Mrs. Dafoe. Front row: Diane LaVoie, Maureen Watson, Jean Herkamp, and Elsie Abacherli.

Mrs. June Dafoe and Miss Irene Donnelly, P.E. and G.A.A. teachers, provided expert advice and instruction this year in and after school.

## Top Fifteen

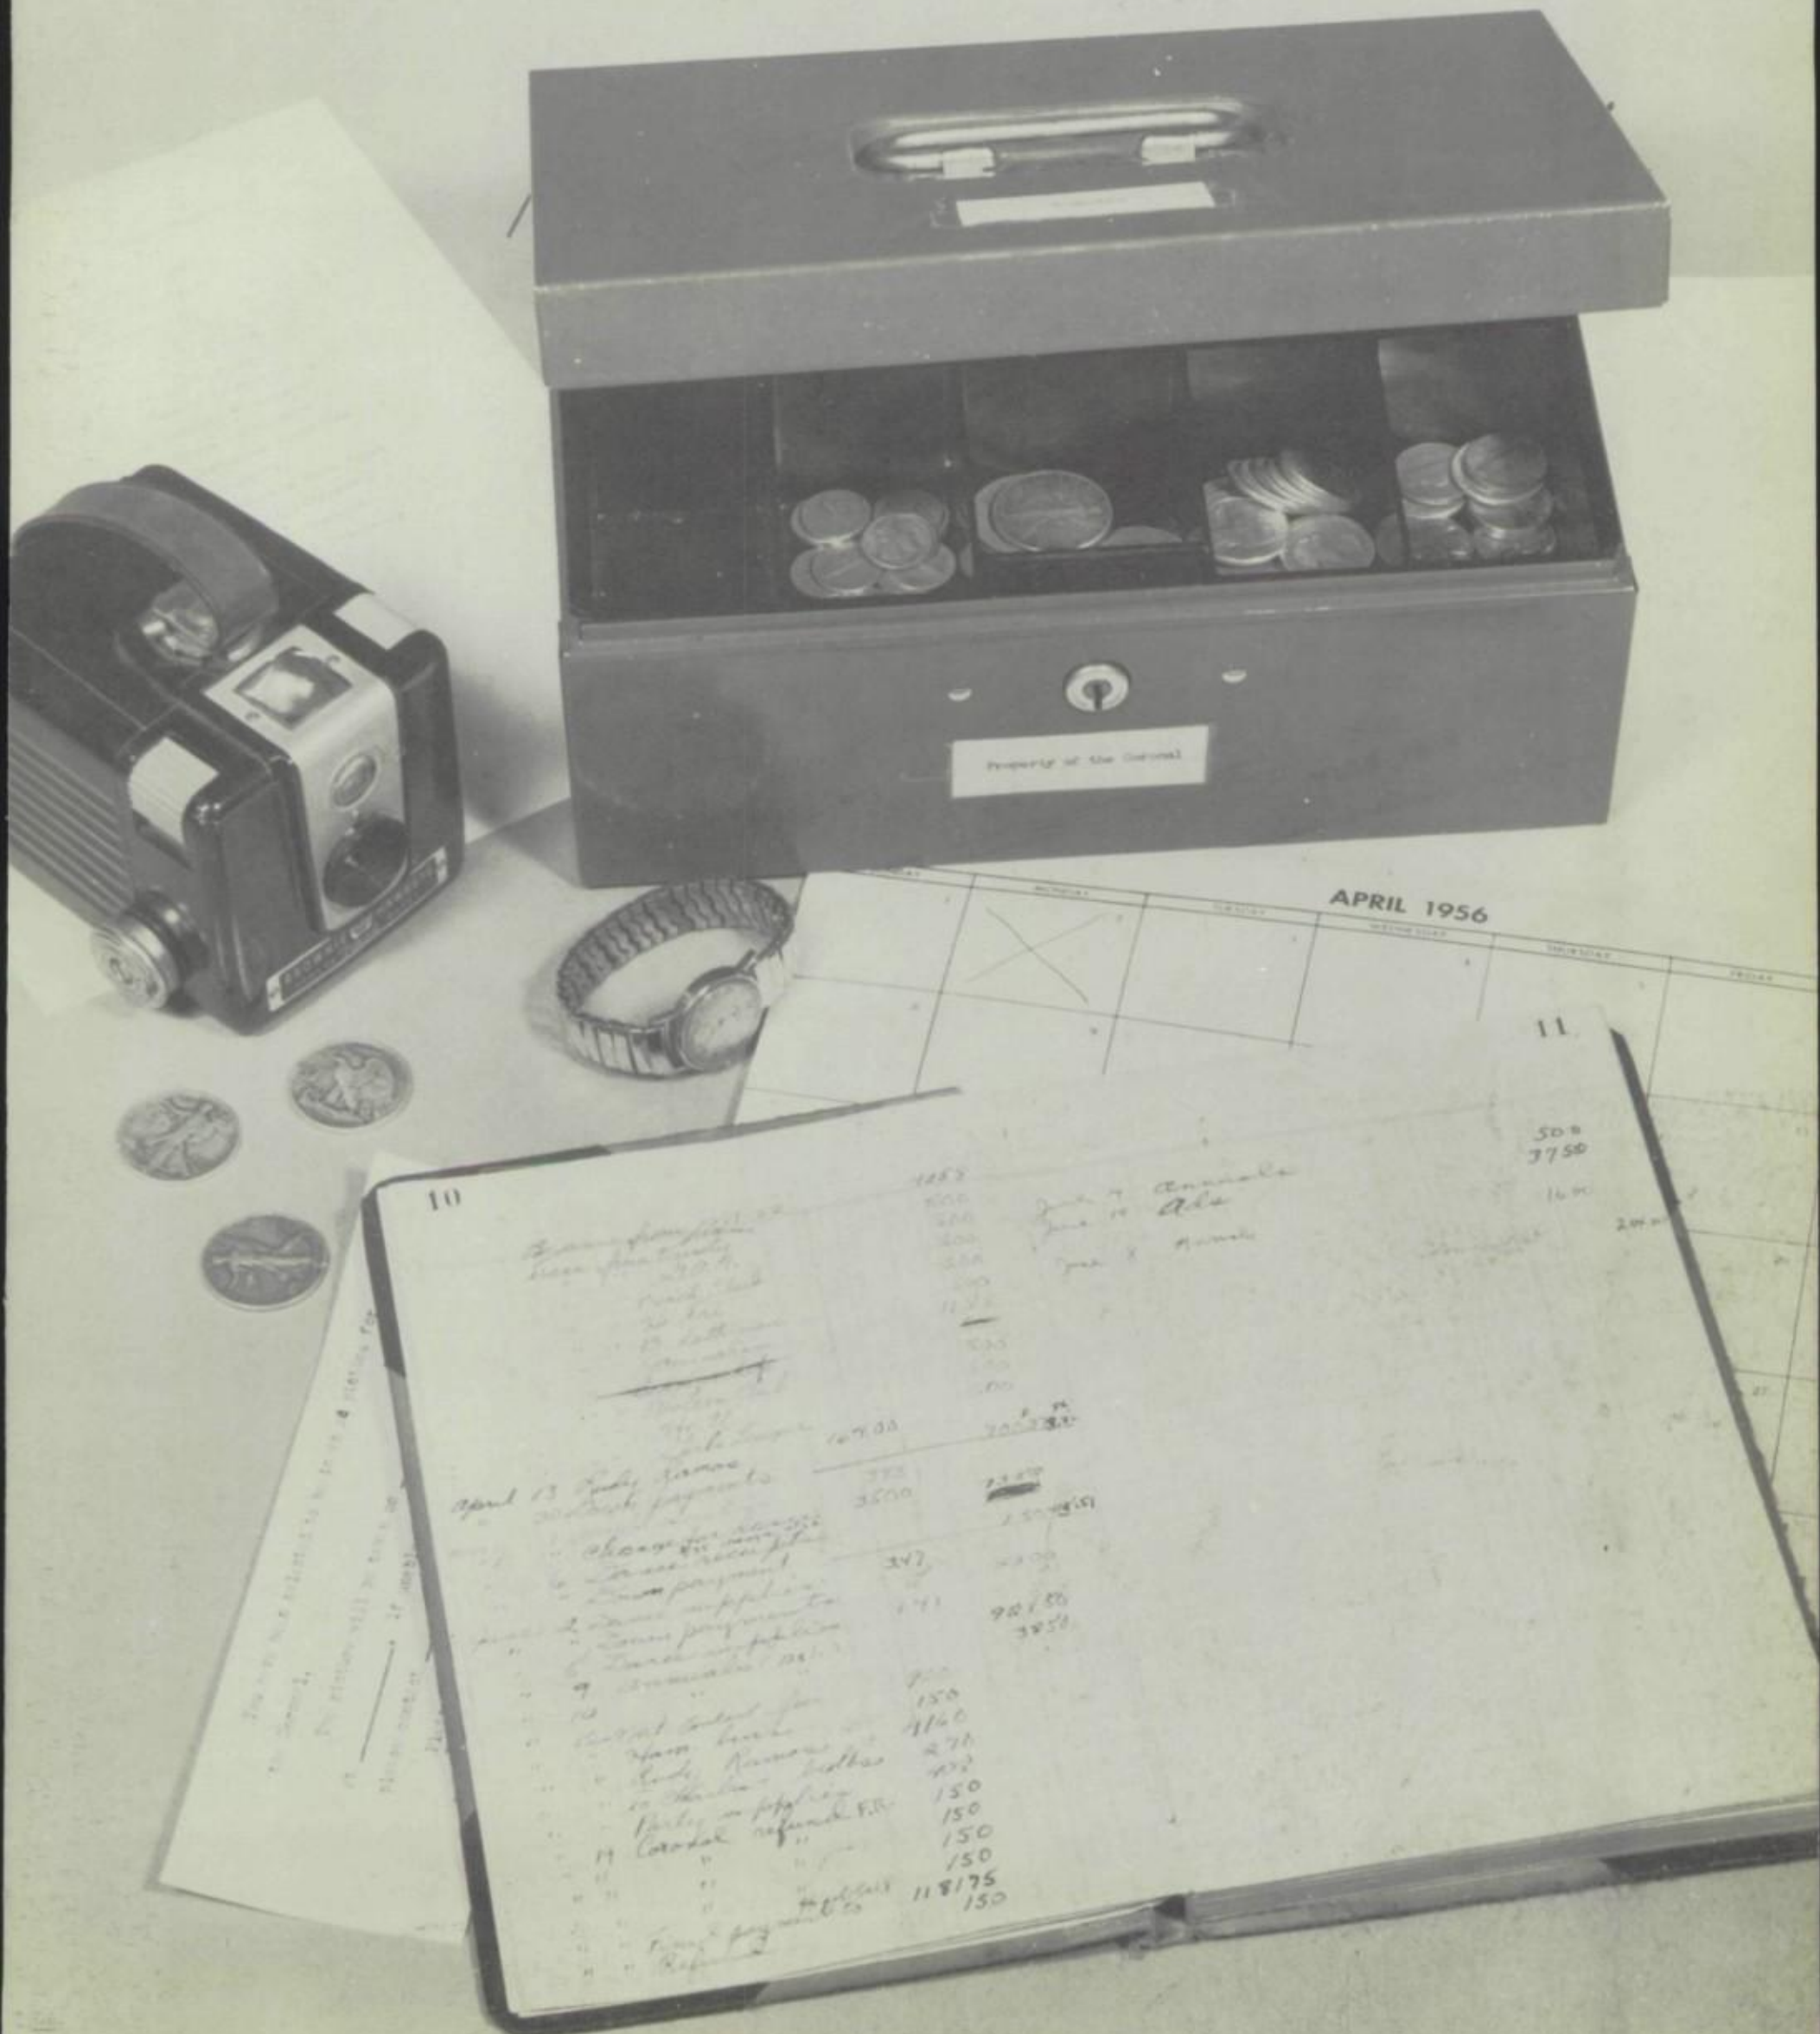

Those who received the honor as the "Top Ten" girl athletes in G.A.A. are: Standing, Mercedes Carrion, Janice Lillibridge, Marlene Denney, Vera Arredondo; kneeling, Marie Rycraft, Marilyn Byers, Yavonne Taylor, and Darlene Embree. Not shown are Elaine Anderson and Elsie Abacherli.

#### EDITOR'S ESTEEM

There! . . . It's finished, done, complete! We wondered if we'd ever get it done, but there it is: the last picture taken, the last copy corrected, and the last up-side-down period right-side up. Now comes the time to express my thanks to the members of the staff who helped make this book possible.

Thanks isn't enough for the ones who worked "above and beyond the call of duty." Especial thanks to our Photograph Editor, Maureen Watson, who was always on the go.

To Jerry Schmidt, and her assistant, Sharon Ware, "thanks" for rescuing us when Ralph left. Beverly Isgrig, Assistant Editor, was always ready and willing to help.

The three boys on our annual staff, Bill Bennett, Doug Hardison, and Charles Burke supplied the sports news and also wrote copy.

Darlene Embree and Carolyn Massey did double duty jobs as both artists and typists.

Judy Christian, Frankie Lloyd, and La Joy Barkalow were the all-purpose girls.

I would like to thank the Yearbook House of Monrovia, the S. K. Smith Co., and our photographer, Rudy Ramos. Without them, there would be no '56 CORONAL.

My final word of gratitude goes to our advisor, Mr. Leo Pauly. His guidance, constructive criticism, and constant patience kept us from giving up long ago.

Well, I guess that's all there is "left to right" in the 1956 CORONAL.

To all of you, Thanks again,

Judy Sherman

H. Manuel,

I have enjoyed having you in my Asia class.

I will never forget the time Mr. Taylor taught this class, May! did you tell him? I didn't know any of it, like how high is Mt. Everest, pop. of China, etc. your shared in.

Best wishes in your senior year,

a friend
